## COMPANY PROFILE

**Technik Instruments** is one of the leading Manufacturing, Exporting and Wholesaling company of Dental instruments, Surgical instruments, Ophthalmic instruments and Beauty instruments in the Sialkot, specialized in latest manufacturing techniques to produce our top quality instruments with precision to our valuable clients throughout the world.

**Our Vision:** To deliver health and happiness to humanity through our high quality Surgical instruments, Dental instruments and Veterinary instruments.

**Our Credo:** We believe our first responsibility is to provide our high quality instruments to the Doctors, Nurses, Patients and all other who use our instruments. We do must be of high quality to meet their needs. Therefore we care up to root level customers.

**Quality Policy:** As we are CE Mark Registered organization so our QA (Quality Assurance) department checks the quality of our manufactured instruments during the various stages of manufacturing and finally before packing to ensure that every tool we produce must of high quality and precession.

**Technik Instruments** is also a child labor free organization. We strictly prohibit the use of child labor in the production of all sorts of our products.

We aim to provide a satisfactory experience for the full range of our customers, irrespective of the customer size or location. We are working for continuous improvement at all levels of our services. We have been able to offer the most competitive prices of the best quality.

As an infinite range of Surgical instruments, Dental instruments and Veterinary instruments, we have tried to put the most common range of instruments in our website. However if some articles are missing or if you require any specific design, pattern, size or finish (Mirror shine, Satin or Sand Finish) then we will be glad to hear from you in order to manufacture them.

We will continue to do the best we can for the years to come.  
And simply for those who seek the best.

Management  
Technik Instruments.
